

Taylor Swift - You belong with me - Lyrics

You're on the phone with your girlfriend
She's upset
She's going off about something that you said
'Cause she doesn't get your humor like I do
I'm in my room
It's a typical Tuesday night
I'm listening to the kind of music she doesn't
like
And she'll never know your story like I do'

But she wears short skirts
I wear T-shirts
She's cheer captain
And I'm on the bleachers
Dreaming about the day when you wake up
And find that what you're looking for has
been here the whole time

If you can see I'm the one who understands
you
Been here all along so why can't you see
You belong with me
You belong with me

Walkin' the streets with you and your worn-
out jeans
I can't help thinking this is how it ought to be
Laughing on a park bench, thinking to myself
Hey isn't this easy
And you've got a smile that could light up this
whole town
I haven't seen it in a while since she brought
you down
You say your fine
I know you better than that
Hey what you doing with a girl like that

She wears high heels
I wear sneakers

She's cheer captain and I'm on the bleachers
Dreaming about the day when you wake up
And find that what what you're looking for
has been here the whole time

If you can see that I'm the one who
understands you
Been here all along so why can't you see
You belong with me
Standing by and waiting at your back door
All this time how could you not know
Baby, you belong with me
You belong with me

Oh, I remember you drivin' to my house in the
middle of the night
I'm the one who makes you laugh
When you know you're about to cry
And I know your favorite songs
And you tell me about your dreams
I think I know where you belong
I think I know it's with me

Can't you see that I'm the one who
understands you
Been here all along so why can't you see
You belong with me
Standing by and waiting at your back door
All this time
How could you not know
Baby you belong with me
You belong with me
You belong with me

Have you ever thought just maybe
You belong with me
You belong with me
